JACK HARBERTSON IS CHALLENGED BY STARS

Waino Ketonen Agrees Throw
Chester or Peterson Six Times
In One Hour

The sport sanction of The Standard has been the mecca of challenges during the past few days, wrestlers from every nook and corner of the west writing this department, issuing a defi to Jack Harbertson, Ogden's pride. Of this number, Jack Taylor, known from one end of the country to the other as a mat artist of the first order, issued a defi in which he offers to throw Harbertson twice in ninety minutes. Taylor, in his letter, states that he will wrestle Harbertson for a side bet, on a percentage basis, or on any terms, agreeing to throw the local mat star twice in a period of 90 minutes. In his letter Taylor also huris a defi at Ad Santel, world's light heavyweight champion.

British Lion After Harbertson.
With the arrival of the morning mail a second challenge to Jack Harbertson from Sam Clapham, the British lion, made its appearance. Clapham is at Boise and is anxious to meet the local man.

Frank McCarroll, of Chicago, well known to Ogden wrestling fans, now termed a seasoned veteran, and a light heavyweight star, is also anxious to clash with Harbertson. McCarroll's Manager, Jack Childs, issued the challenge today in a letter written to the sports department.

More New Challengers.
Fireman Peters, who is matched against Ad Santel at Boise this evening, has also thrown his hat in the ring against Harbertson. They are all after Jack's scalp—and with the arrival of the mail each day a new challenger comes forth, willing to meet the Ogden star at any terms.

And last, but not least, Ira Dern, recognized world's champion in the middleweight class, has hurled a challenge at Harbertson. Dern copped the world's middleweight championship from Waino Ketonen, at Boston last October, and is anxious to clash with Harbertson at catch weights. Dern is a Ulaian and is recognized throughout the country as a mat star of class. He expects to meet Ketonen in a return match at Salt Lake in the near future.

Waino Ketonen Bravo Challenger.
Waino Ketonen has issued a challenge to Art Chester or Ezra Peterson through the press in which he agrees to throw either of the two stars six times in one hour. Ketonen in his letter states that he understands Chester has stated that he holds a victory over the mat marvel, and in lieu of that fact comes forth with a challenge in which he will throw Peterson three times in thirty minutes and wind up with Chester on the mat, throwing Chester a like number of times in the same period of time. "It's a great life if you don't weaken."

New Invention Sent on 30 Days' Trial
Without Expense to You

Simply send me your name and I will send you my new copyrighted rupture book and measure your hernia. If you return the blank I will send you my new invention for rupture. When it arrives put it on and wear it. Put it to every test you can think of. The harder the test the better you will like it. You will wonder how you ever got along with the old style cruet springs or belts with leg straps of torture. Your own good, common sense and your own doctor will tell you it is the only way in which you can ever expect a cure. After wearing it 30 days, if it is not entirely satisfactory in every way—if it is not easy and comfortable—if you cannot actually see your rupture getting better, and if not convinced that a cure is merely a question of time, just return it and you are out nothing. Any rupture appliance sent on 30 days' trial without expense to you is worth a trial. Tell your ruptured friends of this. EASYHOLD CO., 303 Koch Bldg., Kansas City, Mo.—Advertisement.

Indoor Track Meet Is Attracting Statewide Interest of Athletes

The gala indoor track and field meet scheduled for Salt Lake City the night of February 21 is attracting statewide attention and one of the largest entry lists in the history of indoor athletics is expected. Such stars as Clinton Larson, Alma Richards, Creed Raymond, Bob Martin, Ted Johnson, Mel Freebairn, Bunk Brown, Jacques, Kerr and others have already entered the games.

Teams from the University of Utah, U. A. C. B. Y. U., and other schools and clubs of the state will enter men. The one mile race will no doubt be one of the features of the evening with Martin, Brown, Jacques, Warden, Kerr, Johnson, Freebairn, Wilson and Tolman entered.

The college relay team composed of Bob Martin, University of Illinois, Creed Raymond, University of Pennsylvania, Brownie Wilson, University of Utah and Bob Collier, Boston Tech. This aggregation is expected to walk away with the honors in the relay races. Richards and Larson are expected to show class galore in the aerial events. All entries for the meet must be in the hands of Nelson Norgren, chairman of the athletic committee, before February 14.

SPORTING NEWS

Frankie Murphy

Let's introduce Frankie Murphy. Here's the lad whom Billie Glasman has matched to meet Al Young at the Armory February 9. It seems peculiar, but nevertheless it is a fact, proven by almost every performance in the past where Billie has presided as ringmaster, that he has picked men of almost equal ability as ring opponents. We can't recall a single lop-sided affair that can be chalked down as an error in Bill's rare judgment. He has the faculty of teaching the boys in such shape that it is a long guess to call the winner. This feature of Bill's matchmaking goes a long way in promoting the sport, and gives the fan a world of confidence and satisfaction in his favorite pastime. Then there is another thing that Promoter Glasman demands and insists upon: Everything fair and square, no crooks, no slickers, nothing behind the shades. "If the fan don't turn out with enough change to pay for the performance, I lose," says Bill. That's a mouthful when it comes to guaranteeing a show, and we think the Murphy-Young affair will be hovering right around close to Bill's standard.

TWO FAST CONTESTS FOR COMMERCIALS

Standard and Never Rips Will
Clash Wednesday Night In
Championship Game

Commercial basketball league fans will be treated to two fast contests at the Ogden high school Wednesday evening when the two leading quints, the Standard and Never-Rips, tangle for honors and when Buchmiller-Kaplan and Southern Pacific teams vie for third place in the first half of the present schedule.

Thus far the Never-Rips have won two games, having defeated the Southern Pacific team 58 to 9 and the Buchmiller-Kaplan team 75 to 33, while the Standard players have victories of 48 to 17 over the shops and a 27 to 17 win over the Buchmiller-Kaplan team.

Schade League Leader
Schade, the right forward of the Never-Rip aggregation is one of the league leaders, having scored 55 points from his position in the two games played. Lindsay and Shroves are also among the leaders.

Couch, Madsen and Richards have played stellar ball for the Standard quint thus far and they are expected to carry the bulk of attack against the Never-Rips.

With the games of Wednesday's

BLISS NATIVE HERB TABLETS

Tobacco Hardens the Arteries Overtakes the Heart and Shortens Life

Says Dr. Connor, Who Suggests a Simple Test to Find If It Is Hurting You. Can You Stand It?

New York—Dr. Connor, formerly of Johns Hopkins hospital, says: "Hundreds of thousands of men, who smoke and chew and who believe themselves healthy are suffering from progressive organic ailments. They would never have been afflicted had it not been for the use of tobacco and most of them would soon get well if they would only stop the use of tobacco."

The best known habit forming principal of tobacco is nicotine, but the most deadly and demoralizing is tar, which is absorbed by the system slowly, but surely, effecting the nerves, membranes, tissues, vital organs and vitality of the body.

The harmful effect of tobacco varies and depends on circumstances and the individual. In some it causes general debility, others catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, cowardice and fear, pulmonary tuberculosis, blindness, cancer and the common affliction known as tobacco heart.

If you use tobacco in any form you easily detect its harmful effects by making the following simple tests: Read aloud a full page from a book. If your voice becomes hoarse, hoarse and indistinct and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of very serious cardiac trouble. Next, in the morning, before taking your usual smoke, walk up three flights of stairs at a regular pace, then stop. If you find that you are out of breath, if your heart beat is forced, trembling or irregular, you may be the victim of a functional or organic heart trouble. If you feel that you must smoke or chew to quiet your nerves, you are a slave to the tobacco habit and are slowly poisoning yourself with the insidious deadly drug, nicotine and tar. In either case, you have just two alternatives—keep on with your self-poisoning process regardless of the dangers, and suffer the consequences, or rid yourself of the habit and escape the dangers.

You can overcome the craving and stop the tobacco habit in a very short time by using the following inexpensive formula: Go to any drug store and ask for Nicotol. Take one tablet after each meal and in a comparatively short time you will have no desire for tobacco. The craving will have left you. With the nicotine poisoning out of your system your general health will quickly improve.

Note: When asked about Nicotol, one of our leading druggists said: "Nicotol is truly a wonderful remedy for the tobacco habit. It is way ahead of anything we have ever sold before."

Be authorized by the manufacturers to refund the money to every dissatisfied customer and we would not permit the use of our name unless the remedy possessed unusual merit. Nicotol is sold in this city under an iron-clad money-back guarantee to all up-to-date druggists, including McIntyre Drug Co.—advertisement.

Sugar Beet Growers Meeting in Denver

DENVER, Colo., Jan. 26.—Five hundred delegates, representing sugar beet growers' organizations of Colorado, Wyoming, Nebraska, Idaho, Utah, Washington, Wisconsin and Michigan gathered here today to attend the first national convention of the beet growers since 1900.

The primary object of the convention, which will continue for three days, is the formation of a co-operative organization which will handle the beet output in a manner similar to that used by the citrus growers of California in marketing their products. It is the contention of the beet men that prices are too low to compensate the grower with more than a living wage, and that the profits from the industry can be greatly enlarged by a systematic marketing plan.

The refiners are completely in control of all markets, according to the beet growers and have been responsible for maintaining low beet prices.

A number of representatives of the federal government, including John J.
